

Thank you, =o:p>

We will be flying in to Mt Airy. =hey said that they do not have a courtesy car for us. Would it be possible for =ou to pick us up or should we rent a car? There will be 3 of us. Bob Marshall, myself, and Ray Highfill will be there. I am sitting down with Bob =arshall tomorrow and after I meet with him I will send you a list of questions. I know =he most immediate questions that we need answered are: Why you believe that the =st1:City w:st="on">Cambridge text =s the best and any supporting material you have concerning this matter. Also =hat Greek text you endorse such as beza, stephanus, eliziver brothers =ct... and any supportive materials that you might =ave.

Those are the most prominent =uestions, but we will also come up with some subsequent questions as =ell.

Thanks,

=

Thank you so =uch.

We will definitely plan for the =3rd. Usually the small airports provide us a courtesy car, but I am not sure =f this one will. I think lunch sounds great! I will try to get you a list of =uestions as soon as I can.

Dear Bro. Wilson,

Tuesday the 23rd will be great. There is a small =irport in Mt. Airy, NC; this is the closest one to us. It is less than 30 minutes =way. I will get their call letters for you. I'm guessing that you will need =s to pick ou up at the airport. Can we take you to lunch in town and then =eturn to our house with you? If you can give me any updates about the areas of discussion, I can be more prepared.

Dear Bro. Wilson,

Enjoyed speaking with you. After a little thought, I can make some recommendations about the best days and times for the visit. My daughter Bryn is my second hard drive; I've taught her what I know and she remembers what I forget. She is *usually* free on Tuesdays, Wednesdays, or Thursdays. (If you came after 5:00 any day or after 12:00 on Saturday she would be here for certain. I realize after 5:00 or Saturday afternoons may not work well with flying.) There's a fairly good chance she could be here any Tuesday, Wednesday, or Thursday. Any 'questions' you can give me ahead of time will give me time to research and provide documentation. Looking forward to the visit.

Fellowservant,

Gail Riplinger
